- **3.** Enter the EIN of the organization examined.
- 4. Enter the tax period or periods examined.
- 5. Enter the Form being examined (Form 990, Form 990-EZ, or Form 990-N). If different Forms were filed, enter the Form filed for the primary year under examination. If the organization was not required to file a Form 990, Form 990-EZ, or Form 990-N, select Not Applicable.
- 6. Enter the organization's foundation code.
- 7. Select <u>Yes</u> or <u>No</u> depending on whether the organization has a **written** mission statement that reflects its **current** I.R.C. § 501(c)(3) purpose(s). If the organization does not have a written mission statement, answer <u>No</u>. Likewise, if the organization has a written mission statement but its current activities do not reflect that mission statement, answer <u>No</u> even if the organization is fulfilling other appropriate I.R.C. § 501(c)(3) purposes.
- 8. For each item, select  $\underline{Yes}$  just officers,  $\underline{Yes}$  just directors, or  $\underline{Yes}$  both, as appropriate, based upon whether the organization's bylaws address the listed information with respect to those individuals. Select <u>No</u> if the bylaws do not address the listed information at all, or <u>N/A No Bylaws</u> if the organization has no bylaws.
- **9.** Select the appropriate box or boxes corresponding to those individuals or groups of individuals to whom the organization provides copies of its most recent articles and bylaws.
- **10.** Enter the number of board members *with voting rights* as of the first date of the primary tax year under examination.
- **11. a.** Select the appropriate response (<u>Once per year</u>, <u>Twice per year</u>, <u>Quarterly</u>, <u>Once per month</u>, <u>Twice per month</u>, or <u>Other</u>) depending on the number of times the board met during the primary year under examination.

**b.** Select the appropriate response (<u>Once per year</u>, <u>Twice per year</u>, <u>Quarterly</u>, <u>Once per month</u>, <u>Twice per month</u>, or <u>Other</u>) depending on the number of times the board met during the primary year under examination. The board includes members with voting rights as well as those without voting rights. For purposes of this question, the term full board does not require that all board members actually be present.

**Example**: If all board members were invited to attend a meeting and the board actually met, then this would qualify as a meeting of the full board.

12. Select the appropriate response (<u>Yes-met the requirements</u>, <u>Yes-exceeded the</u> requirements, <u>No-did not meet the requirements</u>) depending on whether the number of meetings actually held by the board met or exceeded the meeting requirements as set forth in the bylaws. For example, if the bylaws provided that the board would meet monthly (twelve times in a year) and the board only met ten times during the primary year under examination, then the response would be <u>No</u>. If the board does not have bylaws, the appropriate response is N/A - No bylaws.

- 13. Select <u>Yes</u> or <u>No</u> depending on whether compensation arrangements for all officers, directors, trustees, and key employees are approved in advance by an authorized body of the organization composed of individuals with no conflict of interest with respect to the compensation arrangement. If anyone with a conflict of interest with respect to a particular compensation arrangement participated in the approval of that particular compensation arrangement, the appropriate response is <u>No</u>. Select <u>N/A No</u> <u>Compensation Provided</u> as appropriate. For purposes of this question, officers, directors, trustees, and key employees are the same as the definitions contained under I.R.C. § 4958.
- 14. a. Select <u>Always</u>, <u>Sometimes</u>, or <u>Never</u> depending on whether the organization's authorized body relies upon comparability data in making compensation determinations. Select <u>N/A No Compensation Provided</u> as appropriate.

**b.** If you responded <u>Always</u> or <u>Sometimes</u> to 14a, select the appropriate box or boxes corresponding to the comparability data considered by the organization in making its compensation determinations.

**c.** If the <u>Other</u> response is selected for 14b, please write in a brief description of the other comparability data referred to.

- 15. Select <u>Yes</u> or <u>No</u> depending on whether the organization contemporaneously documents the basis for its compensation determinations. For example, do the organization's meeting minutes or other documents, created at the time compensation is approved, reflect the reasons underlying particular compensation determinations? Select <u>N/A No Compensation Provided</u> as appropriate.
- 16. a. Select Yes or No depending on whether any of the organization's voting board members have either a family or business relationship with any other voting or non-voting board member, officer, director, trustee, or key employee. Family relationships include those of spouses, brothers or sisters, spouses of brothers or sisters, ancestors, children, grandchildren, great grandchildren, and spouses of children, grandchildren and great grandchildren. For purposes of this question, officers, directors, trustees, and key employees are the same as the definitions contained under I.R.C. § 4958.

**b.** If you responded  $\underline{Yes}$  to question 16a, enter the number of such family or business relationships that exist.

**c.** If you responded <u>Yes</u> to question 16a, enter the number of voting members with family relationships, the number of voting members with business relationships, and the number of voting members with *both* types of relationships with any other voting or non-voting board member, officer, director, trustee, or key employee. The number of family, business, or both relationships should equal the number of relationships indicated in question 16b.

**Example**: An organization has a total of ten board members. Husband and Wife both serve on the board. Wife and another board member are the sole shareholders in a

for-profit corporation. In addition, Wife and Husband are partners in a for-profit organization. For 16a, the answer would be yes. For 16b, the total number relationships would be two. For 16c, the answer would be one business relationship (the relationship between Wife and the other board member) and one for both (since Husband and Wife have both a family relationship and business relationship).

- 17. Select <u>Yes</u> or <u>No</u> depending on whether effective control of the organization rests with a single or select few individuals. For example, is there a single individual or small group of individuals to whom the board typically defers?

The board includes members with voting rights as well as those without voting rights.

**b.** Select <u>Never</u>, <u>Once per year</u>, <u>Twice per year</u>, <u>Quarterly</u>, <u>Once per month</u>, <u>Twice per month</u>, or <u>Other</u> depending on how often the board discussed/considered reports of the organization's financial activities. For example, look at whether the organization maintained complete, current, and accurate financial records, and whether the board had and exercised the opportunity to discuss/consider those reports and records. The board includes members with voting rights as well as those without voting rights.

**21.** Select <u>Yes</u> or <u>No</u> based on whether, prior to filing, the organization's Form 990 was reviewed by *either* the full board or a designated committee. Please note that the question addresses a *review* of the Form 990 prior to filing, not merely *receipt* of the Form 990 prior to filing.
